

# Airline

Your **local ELITE DISTRIBUTOR** of

# PHOENIX CONTACT

automation products

## Automation ELITE

DISTRIBUTION PARTNER

Being an Automation Elite Distributor means we have the technical skills, inventory, and dedicated team to support Phoenix Contact's advanced product suite.

### Why choose Airline as your Phoenix Contact source?

#### Best Support

Being Automation Elite means we have the in-house experts to handle your tough automation challenges.

#### Huge Inventory

We stock thousands of Phoenix Contact parts in our warehouses throughout the North and South East.

#### Online Ordering

Order online with real-time pricing and availability (both Airline and Phoenix's stock)

#### Reliability & Quality

Our Automation Elite status, ISO 9001 certification, and extensive QA team ensures there's an ease of doing business with Airline.

#### Competitive Pricing

Ask about pricing advantages and bulk discounts

#### Same Day Shipping

When it's in-stock, we'll ship same-day for orders placed before 3:30 pm EST

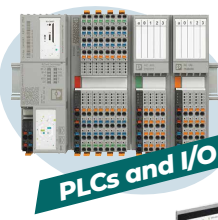

### Airline specifies, stocks, and supports Phoenix Contact's full product suite.
